Dear EPCO:

Thank you for all your work in raising my house. I am very pleased with the result.

The project manager, Larry Baxter, did a good job of keeping me informed as the project progressed.

The workmanship shows excellent professionalism. You didn't leave a mess like I have seen in other places. The foundation is beautiful and looks like it will last forever.

Above all, I am happy that my floor is level once again. We can now go on to fix the rest of the house.

I certainly will recommend you to anyone else who needs to raise their house.

Thanks again,

Estelle Henry
